The General Alumni Society is the organized effort of Pennsylvania men for their Alma Mater. Its Board of Directors includes Directors-at-Large, representatives from the Associated Pennsylvania Clubs, the Departmental Societies and the Organized Classes. This Board of Directors manages alumni affairs. It is divided into committees and acts as a Board of Visitors.

ALUMNI DUES ARE \$5.00 ANNUALLY, ONLY A TRIFLE MORE THAN ONE CENT A DAY
AND ARE SPENT

To organize and conduct alumni efforts for the University's benefit.

To employ a General Secretary and office force.

To maintain memorabilia of all living and dead alumni, with addresses of the former.

To provide an illustrated narrative about the University and to distribute pictures.

To publish THE ALUMNI REGISTER, the graduate monthly magazine founded by Provost Pepper in 1895.

To organize, inform and help alumni organizations throughout the world.

To finance lectures and clinics at the University.

To publish Alumni Directories.

To elect Trustees of the University.

To provide Song Books and show Moving Pictures.

To Inspire and Inform graduates and others everywhere.

IF THE ALUMNI DID NOT DO THESE THINGS THE UNIVERSITY WOULD
HAVE TO DO THEM

Thus we lift an enormous burden of expense and administration from her.

The only effective way to do it is by a large organization and the service we can render Pennsylvania is only limited by the funds you provide.

THE GENERAL ALUMNI SOCIETY.

The Associated Pennsylvania Clubs

The location of the various Associated Clubs, together with the names of the Officers thereof located throughout the county, can be obtained by application to the General Secretary of the General Alumni Society, Horance Mather Lippincott, '97 C, 1628 Real Estate Trust Bldg., S. E. cor. Broad and Chestnut Sts., Phila., Pa.

College

The College Department grew out of the "Charity School" founded in 1740 and originally included most of the courses now given excepting Law, Medical, Dental, Veterinary and Graduate School. In 1912 the Towne Scientific School and the Wharton School of Finance and Commerce were separated from the College Department, having been organized with their own faculty and dean. In 1920 the School of Fine Arts was established, by the elimination from the College Department of the courses in Architecture, Fine Arts and Music, under a separate Department. The Evening School was established in 1904 as a part of the Wharton School. The College Department offers courses in Arts and Sciences, Biology, and also has under its jurisdiction a College Course for Teachers and a Summer School. The Evening School leads to a Cert. of Prof. The Summer School does not grant either a degree or a certificate. All the other courses lead to the degrees of A. B.; B. S.; B. S. in Biology; also Cert. of Prof.
